Subject: Chapter 2 Revisions, Fossil Rock Resources, LLC, Fossil Rock Mine, C/015/0009

Dear Mr. Bunnell:

Upon the conditional approval of the Fossil Rock, Midterm Completion Response (Task #5771), the outstanding deficiencies relative to General Chapter 1 were resolved. As you're aware, General Chapter 1 applies to all of Canyon Fuel Company, LLC's properties. However; information contained within Chapter 2, Legal and Financial in the Fossil Rock Mining and Reclamation Plan (MRP) needs to be revised. For example, Eugene E. DiClaudio is identified as the contact person and individual responsible for the payment of Abandoned Mine Reclamation Fees. Additionally, ownership and control information (dated September 2015) must also be revised due to recent personnel changes at Fossil Rock Resources, LLC.

In order to complete the Midterm Response review and close the task out (i.e. Task #5771), we felt it better to address the Chapter 2 revisions of the Fossil Rock MRP separately as opposed to tying it to the aforementioned task.

Please provide the appropriate revisions to Chapter 2 of the Fossil Rock MRP by December 28, 2018. If you have any questions, please call me at (801) 538-5350.

Sincerely,

Steve Christensen
Permit Supervisor
